

## Fundraising Opportunities

Welcome to an exciting year at SDES! Want to help earn extra money for your child's school? We participate in many programs that earn money by things you already do.

### • Box Tops For Education

Buy, Clip, Send, and Earn! Find Box Tops on hundreds of products, clip from each package, and send to school on a collection sheet (that will come home with your child) or in a plastic baggie with teacher and students name on it. Each Box Top is worth 10¢ for our school. Last year, Stuarts Draft Elementary School raised nearly \$3,000 by clipping and counting Box Tops. That's a lot of Box Tops!! More details to come when we kick off the classroom contest in September.

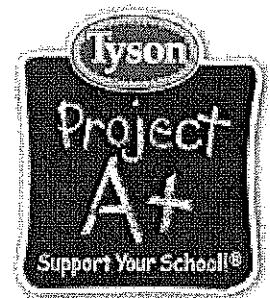

### • Labels For Education- Campbell Products

Through this program we can collect UPCs from participating products to earn points that can be redeemed for FREE educational merchandise. It's easy to help – simply clip UPCs with the Labels for Education Logo and send them to school in a plastic baggie with your child. If it does not have Labels for Education Logo on it, it will not be accepted. For more information and a complete list of participating products, visit [www.labelsforeducation.com](http://www.labelsforeducation.com)

### • Tyson Project A+

Just clip and redeem Tyson Project A+ labels from packages of Tyson® products. For every label we receive, our school will earn 24¢ – and we can use the money for whatever we need. Please send labels in a plastic baggie or envelope with teacher and student name on it.

### • Ink Cartridge Recycling

Send in used ink cartridges in a plastic baggie with your students or you can drop off in the box by the PTA table in the school foyer. Our school gets \$2 back in reward points per cartridge.
